Pope Francis
On the Family

The Family is a “New Mission Field for the Church”

Throughout this collection of the Holy Father’s addresses, Pope Francis emphasizes the primary role of God and faith in family life and the crucial importance of regular family prayer to draw on God’s graces within the home. He emphasizes the deep crisis that the family and marriage are undergoing in the Western world and challenges families today to be witnesses of love, fidelity, and service to the rest of the modern world.
