We will start the work on the twelve light fixtures in the main body of the Cathedral that were removed in the fall last year because of safety concerns. The scaffolding will be installed on the evening of January 26th and the re-wiring and securing of the light fixtures will begin on Monday, January 27th. This process will take approximately three to four weeks. The scaffolding will be moved around several times during this process. Please be cautious and obey the directional signs as well as the directions of our docents and hospitality ministers. Thank you for your patience.

A Big “thank you” goes out to Lamoreux Crane Service and Southwest Safety Services (traffic control) for donating their services to help with our outside Christmas decorations. These two companies have donated their time twice a year for many, many years; we highly recommend their reliable services!

Mother Connie Delzell
Speaking on
The Mosaic of St. Francis at Holy Faith

Mother Connie Delzell was a major force in creating the new Mosaic at St. Bede’s Church. She also created the new Santa Francis mosaic which was gifted to the Church of the Holy Faith by St. Bede’s. Mother Connie, the first woman who was ordained priest in the Diocese of Colorado, will speak on the St. Francis mosaic at Holy Faith and which we shall bring to her talk. If there is time, she will be speaking on mosaics and their meaning created in the Middle Ages.
